French living in Paris. **Highlights:** The TGV event for Gay Pride in 1996 with Franckie Knuckles, magical! The shoot for the TGV compilation sleeve in 2001, naked by Karl Lagerfeld... **Travels:** All the markets of the world since forever and the beaches of Goa for the past 15 years. **Favourites:** Restaurant *Des Gars dans la Cuisine* (p.41) in rue Vieille du Temple for the manioc fries, the organic brunch on Sunday, and the friendly team. *Pink Flamingo* (p.47) in rue Bichat for having reconciled me with pizzas, out-of-the-ordinary pizzas, the eco concept of bicycle deliveries, the American owner, sexy and too nice - the second Pink Flamingo is now open on rue vieille du Temple in the 3rd! The bar *La Rose des Sables* (p.54), rue de Lancry; minuscule but authentic small old Parisian bar ("parigot"), a melting-pot of the people in the neighbourhood having a coffee at the counter. Restaurant *Thensurabi* (p.50) rue Louis Blanc, for its terrace and best mimosas in the Indian quarter (they are the only fresh ones!), the shrimp curry and the Mango lassi. *Chanel* (p.11) rue Cambon, if one had to mention one boutique it would be this one. The reception, the professionalism of the staff who are never pretentious (ask for Marie-Cécile), in short, real 'class'! *****L (p.14) in the 3rd for its sweatshirt de-luxe line which never
